Dear Sir,

This letter is to express my interest for the post Software Quality Engineer in your company. With a Bachelor's degree in Computer Science and Master's degree in Software Engineer and hands on experience using J2EE language to create and implement software applications, I am confident I will be an asset to your organization.

I enjoy being challenged and working on projects that require me to work outside my comfort and knowledge set, as counting to learn new languages and development techniques are important to me and the success of your organization.

I have attached a copy of my resume that details my projects and experience in software development. I can be reached any time via my cell phone +60149314279 or via email at raj.gmk@gmail.com.

Thank you for your time and consideration. I look forward to speaking with you about this opportunity.

Sincerely

Raj Kapur Saha
